

Miracles

An unusual name
For the last child of the family
A son, given by
The grace of God.

Thirteen long years pass by,
A struggle to get through life.
To live up to great expectations
Of the elder siblings.
Enters high school, through
The grace of God.

At a very important time of life
Falls sick, very sick
Affected by an uncommon virus,
Presented with the threat of death, overcomes the fear by
The grace of God.

Admitted in the emergency unit,
A miracle.
With eyes shut tight, the body struggling in pain,
When sleep is alien, is
Blinded by a bright vision.
Saved, healed, enriched by the Holy Spirit, through
The grace of God.

Survived.
Bears witness,
At sixteen, lives on by the
Grace of God.
