

"Some + One"

You came into my life unannounced
Unintruding
But not unasked for

When the whole world walked away,
Leaving me
On the edge

You brought me back

Then when the deserting world returned

I forgot you

Many subtleties
Reminded me of
You

Those eyes which
Led into
The endless

Those same eyes
Give me a glazed look
And I see the pain

I caused

I hope that I may be able to
Come back into your life unannounced
Unintruding
But not unasked for.
